SYNOPSIS

Corporate communications is the practice in which businesses communicate with internal and external audiences aimed to create a favorable point of view of the organization. For businesses, corporate communications help tell their story, mission, values, services, products, and other relevant information.

The Communicate Bundle (corporate communications) is a compilation of all bundles giving clients a 360 overview. A structure to construct an in-house communications department. #LetsTellAStory.

Price: \$7500
